Immediate

Chief Minister mentioned to me this morning that it may be useful to constitute a small committee consisting of some eminent retired Engineers and others to advise us in the preparation of our case in respect of projects in the Cauvery basin. The terms of reference of this committee will be limited to technical matters and wherever legal interpretations of the 1924 agreement or any other relevant issues arise the committee will take the help of the Legal Adviser who may be appointed by Government.

I have had a discussion with Shri M.V.Aswathanarayana Setty, Adviser, Irrigation and Power regarding the likely composition of this committee. The following retired Engineers have been associated at some ~~time~~ or the other with the Cauvery matters:- and construction work in the Cauvery basin:-

(1) Shri H. Ananthachar
(2) Shri B.S. Narasinga Rao
(3) Shri N.S. Govinda Rao
(4) Shri R.L.Raju
(5) Shri A.K. Char
(6) Shri L.T. Aminbhavi
(7) Shri M.C. Sampath Iyengar

It is suggested that out of the above not more than three persons may be included in the committee. In addition Shri Setty, Adviser and Shri B.C.Angadi, Director, WRDO may be members of the committee, Shri Angadi being designated as the Convenor. The committee may co-opt our other Chief Engineers if found necessary ~~and~~ discuss specific problems. Sri Iftekhar Ahmed may also be on the Committee.

The committee may be constituted for a period of three months in the first instance. The members may be paid a sitting fee as in the case of the members of the M.I.P.C. Board. Rules regarding T.A. and D.A. will also be applied on a similar scale.

The draft order constituting the Expert Committee on Cauvery is placed below. I understand that Shri L.T. Aminbhavi who was appointed as member of similar committee for Krishna Godavari declined to attend any of the meetings. It may not be therefore appropriate to put him on the present committee. His name has therefore been deleted.

The purpose of the committee has been mentioned in very general terms in view of the fact that no tribinal has been constituted so far and officially no dispute has been declared.

Please refer to Government Order No.PWD 6 LCA 70 dated 22nd October 1970 in which I have been made the Chairman of the Expert Committee to advise Government on the Projects in the Cauvery Basin. I have to state that I have applied for further leave up to 20th November 1970 and until then I request that somebody else may be nominated to call for and preside over the meetings. If it is desired that I may continue to do this work, I am mentally fit to do it provided I am permitted to do the work at my residence and if I am allowed to take charge of my duties forthwith. The Doctor has also advised me to keep myself mentally busy in this way.

Dear Sri Vardan,

The First meeting of the Expert Committee to advise the Government on the Projects in Cauvery basin, was held on 13th November, 1970. As Sri Iftekhar Ahmed, Additional Secretary to Government, P.W.D. & Chairman of the Committee was not present, I was in the Chair.

During discussion on the projects under construction, the Members felt that the Chief Engineer, Irrigation Projects (South) should also be included in the Committee so that he could explain to the Members, the details of the present stage of construction of the Irrigation Projects. He will also be in a position to indicate problems involved in increasing the scope of the projects.

I, therefore, request you to kindly arrange to include the Chief Engineer, Irrigation Projects(South), as the Member of the Committee.

Yours sincerely,

(M.V.A.Setty)

Sl. No. 1 (Receipt) Copy of h. No. WRDO/Cau/71 dt. 22.2.71 from Director W.R.D.O.

Submitted for perusal with reference to Govt. orders Constituting the Committee at page 1 and 2. The period of function of the Committee expired on 22-1-71. The Director, WRDO, who is the Convenor of the Committee states that there are several other projects in Cauvery basin to be examined by the Committee hence it is necessary that the duration of the Committee is extended by another period of 6 months. The Committee had 3 sittings so far. A draft G.O. extending the period of function of the Committee ~~upto~~ upto end of July 1971 i.e. 6 months from date of expiration is put up for perusal and approval at Sl. No. 2 with the Concurrence of F.D.

Sl. No. 1 (Receipt) Lr. No. WRDO/CAU/71 dt. 26.2.71 from Dir. W.R.D.O.

Submitted for perusal. The Director W.R.D.O. has requested clarification whether the following Subjects which relate to Cauvery may also be referred to the Committee for their advise:-

1. Review of the Planning of Projects in Cauvery Basin and the Inter-State aspects involved.
2. To advise in getting up of the Statement of case of Mysore in respect of Sharing of Cauvery waters.

It is for orders whether the Director, W.R.D.O. may be permitted to place the above Subjects before the Experts' Committee for their advise.

Sd 16/3/71

16/3/71

Note-2 23

Please seethe letter from the Director, WRDO, placed at Sl.No.1. Government have constituted an Expert Committee to advise Government on the projects in the Cauvery basin. This Committee which was constituted in G.O.No. PWD 6 LCA 70 dated 22-10-1970 for a period of three months has now been extended upto the end of July 1971 as per G.O. dated 12-3-1971. As per the order constituting this Committee, the Committee has to advise Government on the programme of construction of irrigation projects in the Cauvery basin in Mysore State. The Director, WRDO, with his present letter has enquired as to whether the following two items could be referred to that Committee.

(1) Review of the Planning of Projects in Cauvery Basin and the Inter-State aspects involved.

..

WD 01050—GPB—8,00,000—18-12-65

(2) To advise in getting up of the Statement of case of Mysore in respect of sharing of Cauvery Waters.

Item (1) is clearly a matter relating to the construction of projects and therefore the same could be referred to the Expert Committee. As regards item (2), it may be stated that the question of preparation of statement as envisaged by the Director, WRDO, will ~~not~~ arise only when ~~on~~ the Cauvery Dispute being referred to an Inter-State Water Disputes Tribunal. So far ~~as~~ the Tribunal has ~~not~~ been constituted ~~by the~~ for the Cauvery matter. Therefore, it is pre-mature now to consider the question of getting advise of the Expert Committee for the preparation of the statement of case with regards to the sharing of Cauvery Waters. We can consider this question after the tribunal is formed and we are asked to file the statement of case. The Director will be informed on the above lines.

A

(S.K.Mohan)
US. P.W.D.(Tech)

DS)

Addl. Secy

If the advice given at 'A' is accepted, we will learn into the same rush and hurried consultations, working night & day, that went into the preparation of Case for the K.G. Tribunal, where we started to prepare our case after the Tribunal was formed. Let us not repeat that mistake again. Whether the Cauvery dispute goes to a Tribunal or not, full facts in support of our contention must be collected immediately, as we now have a Cauvery Cell with an SE at its head. If the Secy. WRDO

| M. G. S. | Subject: | File No. |

Sl. No. 2. Issued to the Director, WRDO. on 29-3-1971.

28) A Committee of Experts to advise the Government on the Projects in the Cauvery basin was formed in G.O. No.PWD 6 LCA 70 dated 22nd October 1970. The period of operation of the Committee was extended up to the end of July 1971 in G.O.No.PWD 6 LCA 70 (Part II) dated 12th March 1971.

Flag "A"

Flag "B"

29) The following work still remains to be finalised by the Committee:

(1) Combined Working Tables for the opration of the Hemavathi, Cauvery, Harangi and Lakshmanthirtha projects and its effect on the 1924 Agreement.

(2) Back water curves of Kabini reservoir.

30) These matters can be settled in the next meeting of the Experts Committee. I therefore suggest that the life of this Committee may be extended up to the end of December 1971 so that the Committee may meet once again and take a final decision on the remaining issues.

8/12/71

34) The matter relating to the extension of July 1971 up to end the term of the Experts' Committee beyond Dec. 1971 was discussed with the Additional Secretary, PWD and the Engineer-in-Chief. There are certain issues relating to Cauvery Valley projects to be considered in detail and a final decision has to be taken regarding the feasibility of these projects. In view of the above, he opined that it is desirable that the term of the Experts' Committee is extended upto end of March 1972 with the same terms and conditions as enumerated in the original Government order.

35) In view of the above, the term of the Committee is now specified as ~~to~~ end of March 1972. The draft Government Order placed at page 17 CF may please be perused and returned.

Sir,

Sub:- Constitution of an Expert Committee to advise Government on the Projects in the Cauvery Basin.

Ref:- Govt.order No.PWD 6 LCA 70 dt. 22.10.70

....

In the order cited above Government constituted a committee of experts " to advise Government on the programme of the construction of Irrigation Projects in the Cauvery basin in Mysore State". The committee was constituted for a period of 3 months and its period expires on 22.1.1971.

So far three meetings have been held and the proceedings of the first two meetings have been forwarded to Government and a copy of the proceedings of the third meeting is enclosed herewith.

Since there are several other projects in Cauvery basin to be examined by the Committee, it is necessary that the duration of the committee is extended by another period of 6 months. I request you kindly to communicate orders of Government in this matter.

ORDER NO. PWD 6 LCA 70, BANGALORE, DATED, 22ND OCTOBER 1970

The Governor of Mysore is pleased to constitute a Committee of the following Engineers to advise Government on the programme of construction of Irrigation Projects in the Cauvery Basin in Mysore State:-

1. Sri Iftekhar Ahmed, Chief Engineer & Additional Secretary to Govt., Public Works & Electy. Dept.
2. Sri H.Ananthachar, Retired Chief Engineer.
3. Sri N.S.Govinda Rao, Adviser, Central Board of Irrigation and Power.
4. Sri A.K. Char, Retired Chief Engineer.
5. Sri H.V.A. Setty, Adviser, Irrigation & Power, Govt. of Mysore.
6. Sri B.C.Angadi, Director, Water Resources and Development Organisation.

Sri Iftekhar Ahmed, Additional Secretary to Government of Mysore, will be the Chairman of the Committee and Sri B.C.Angadi, Director, Water Resources Development Organisation will be the - Convenor.

The Committee is constituted for a period of three months in the first instance. The non-official members of the Committee will be entitled to draw T.A. and D.A. in accordance with the rules specified in List A of Annexure to M.C.S.R. Part VIII - Mysore - Travelling Allowance Rules 1957. In addition they are also - entitled to draw a sitting fee of Rs.150/- (One hundred and fifty) only per day of the meeting attended by them. The expenditure connected with the D.A. and T.A. and also the sitting fee of the members of the Committee is debitable to the grant provided for the purpose under "44 INED works-A-Miscellaneous - Survey Establishment -12 - expenditure connected with Major Irrigation Projects Control Board and its Technical Sub Committees". The Director, Water - Resources Development Organisation will countersign the T.A. and sitting fee bills and make payment to the non-official members.

This issues with the concurrence of the Finance Department vide FD/7975/DS/70, dated 20-10-1970.

THE SECOND MEETING OF THE COMMITTEE OF EXPERTS TO ADVISE THE GOVERNMENT ON THE PROJECTS IN CAUVERY BASIN, HELD ON 5-12-1970 AT 4.00 P.M.

---

Resolution on Storage Capacity of Hemavathi Reservoir at Gorur.

" The Committee examined the several alternative Working Tables on the Hemavathi Reservoir and the combined Working Tables, for Krishnarajasagara and Hemavathi for the years 1942-43 to 1961-62, furnished by the Department and discussed in detail all the Pros and cons of the various alternatives indicated in the different working tables. The Committee unanimously resolves that the capacity of the Hemavathi Reservoir at Gorur may be fixed at about 34 TMC with F.R.L. at 2922.00.

This recommendation is subject to Priority being given to utilisation at Krishnarajasagar as at present existing and the impounding at Hemavathi to be so regulated as not to affect K.R.Sagar Reservoir in any way. "

Dear Sri.. ---- ,

Sub: Constitution of an Experts Committee to advise Government on the Projects in the Cauvery Basin.

--

May I recall the brief talk I had with you recently on the subject of constitution of a committee of experts to advise Government on the Projects in the Cauvery Basin. I had requested you to indicate your willingness on otherwise to serve on such a committee and you readily agreed to ~~kkx~~ serve on the Committee.

Government have therefore been pleased to constitute the Committee in G.O.No. PWD 6 LCA 70 dated 22nd October 1970 with you as one of the members of the committee(A copy of the Government Order is enclosed).

I thank you for having agreed to serve on the committee and look forward for your estemed cooperation.

Yours sincerely,

1) Sri. H. Anantha Char.
2) Sri A.K. Char.
3) Prof. N.S. Govinda Rao
